

## RAP Challenge 300 - 06.07.2024

### Competition Announcement No. 1 (2024-06-24)

1. **The competition office** is located in the Wilanów Town, 2 Klimczaka Street: <https://goo.gl/maps/1JRjKPb9Lis4PXUR7> and will be open on Friday 05.07.2024 12:00-20:00 and on Saturday 06.07.2024 7:00-14:00. In the competition office it is necessary to collect the participation package.
2. **The compulsory pre-start briefing** will take place in the Audiovisual Hall of the Wilanów Town Hall, location as above.
3. **The compulsory honorary start** will take place in the immediate vicinity of the Wilanów Town Hall, i.e. on the square in front of the Royal Wilanów shopping centre, 1 Klimczaka St.: <https://goo.gl/maps/qcscvciFHGhenPVV8> and will take place on 06.07.2024 8:00-9:00
4. **A compulsory sharp start** will take place on the bridge in Obórki on 06.07.2024 (9:00-10:30). Each competitor will start at a different time. Location: <https://goo.gl/maps/vvyyyCbAjN4ka4CL9>
5. **The route** is available at <https://racearoundpoland.pl/pl/trasa> (bottom of page)
6. **The halfway point** is at the Stadium in Czemierniki, where we make a round around the square and turn around. At the Stadium there is a buffet organised by the Municipality of Czemierniki. You can get to the stadium through a gate and down stairs. A RAP flag will be located at the gate. If you don't want to use the buffet, you don't have to go there, just turn around at the flag. Watch out for the cars!
7. **GPS track.** Competitors will receive GPS recorders. They will be visible during the ride in the monitoring service. The race is operated by the BBTracker company. The link to the monitoring will be published at the latest during the pre-start briefing on 05.07. After the race the competitor can receive the track recorded by the GPS device.
8. **The tracker** is no bigger than 2 matchboxes. It weighs 106g. The tracker should be carried by the rider or should be with the bike (mounted or in luggage). In the case of a supported cat. at night, the tracker should charge in a car that is riding directly behind the rider and at the rider's pace.
9. **Time limit of 24 hours.** How to treat this? The limit counts on the distance from the sharp start in Obórki, i.e. from 9:00 a.m. One hour earlier, i.e. at 8:00 a.m., is the honorary start at Royal Wilanów. This means that at 9:00 a.m. on 7.07 at the latest, a competitor should turn up at the fast start in Obórki and then ride - without racing - to the finish line of honour at the Town Hall. This is where the race ends. In order to finish the race you must get from Obórki to Royal Wilanów within 1h (9km).

10. **Leaving the course.** Using the service. According to point V (a) for solo unsupported, organised or casual stationary assistance is allowed and mobile assistance is forbidden. That is, it is possible to descend to a service and return to the route at the same point where the route was abandoned. If a rider already has this planned, they can email [race@racearoundpoland.pl](mailto:race@racearoundpoland.pl). If it goes out during the race - a phone call or text message to 501 584 669 indicating the point where the route is abandoned. Mobile assistance, i.e. moving a vehicle to assist a competitor several times, is prohibited.
11. **Parking the car in the area of the competition office and the honorary start.** During the working hours of the competition office, the competitors may use the underground car park of the Wilanów Town Hall free of charge. The entrance to the car park is located next to the Coffee Break café: <https://goo.gl/maps/FYgjpFJ2W9C7qrJf9> **In order to be allowed into the car park and released without charge by the RAP volunteers, a white card clearly marked (with a marker) "RAP" must be placed behind the driver's side window.**
12. **Communication with the organiser.** If you want to provide information to the organiser only, e.g. a question, a request to visit the CP - write or call 501-584-669 or 603-054-090
13. **Hashtag #raceap24 #polandwuc2024** - if you will be posting something on social media regarding the race (FB, TT, IG...) use the hashtag #raceap24 then it will be easier to find information
14. **Technical carss.** From Obórki to Gassy they will take a circular route - not along the embankment (there is a narrow road and cyclists ride there) (applies to the semi-supported category)
15. **There will be unmarked cars** on the route of the race in which there will be observers to supervise the correct course of the race and note any behaviour contrary to the regulations, which may result in a time penalty or DSQ as specified in Appendix B of the regulations.
16. **Food on the course.** One buffet provided at the halfway point.
